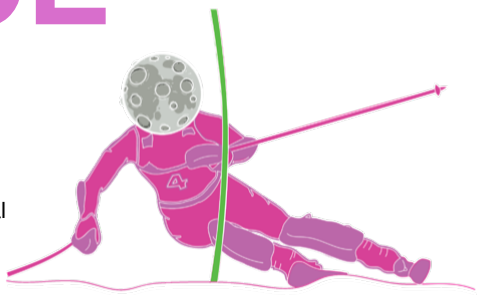
Frequently Asked Questions (FAQs)



What is the Night Race?
The Night Race is an exciting evening ski event. Skiers of all ages and abilities compete under the lights in a fun and friendly race atmosphere, featuring individual slalom runs followed by a thrilling dual slalom knock-out competition.

Who can take part?
The event is open to all skiers, from Under 8s through to Masters. Categories are split by age group to ensure fair and enjoyable racing for everyone.

What is the race format?
The evening starts with two individual slalom runs. U12 skiers race on stubbies, while U14+ competitors race on full gates. The fastest individual time counts for prizes and determines seeding for the dual slalom. The night then concludes with exciting head-to-head dual slalom races.

How does the dual slalom work?
Skiers race head-to-head in a knock-out format. Matchups are based on the results from the individual slalom runs. U12 racers compete on stubbies, while U14+ racers compete on full gates in separate categories.

Are there prizes or medals?
Yes! Medals, prizes, and fantastic goodies will be awarded across all age groups, thanks to our generous sponsors and race organisers.

Can I hire skis, boots, and poles?
Yes. Skis, boots, and poles can be hired at the ski centre and are included in your race entry fee at no extra cost.

Do I need my own helmet?
All competitors must wear a helmet. Please note that the ski slope does not provide helmets, so you must bring your own.

What clothing is required?
Competitors must wear long sleeves, long trousers, and gloves. This is mandatory for safety reasons.

Are there lights, music, or fireworks?
The event features flashing lights, music, and fireworks, creating an exciting night-time atmosphere. Please be aware that this may not be suitable for individuals who are sensitive to bright lights, loud noises, or flashing effects.

Is food and drink available?
Food and hot drinks will be available from the café upstairs throughout the event.

How do I sign up?
Sign-up details will be provided by the race organisers. Make sure to register early to secure your place in one of the most exciting events of the season.
